Confirmation No: 8266

Serial No. 10/811,301

Art Unit: 2811

**RESPONSE TO RESTRICTION REQUIREMENT**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

This is a full and complete response to the Restriction Requirement having a mailing date of September 7, 2005. Applicant notes that a provisional response to Restriction Requirement was filed in response to a Restriction Requirement dated May 17, 2005, which contained an error, thus, this is in response to the September 7, 2005 Restriction Requirement correcting that error. The one month shortened statutory period to respond was set to expire October 7, 2005. Which makes this a timely filed response to the outstanding Office Action.

In view of the following election and remarks, the Applicants respectfully request that the Examiner conduct a first substantive examination on the merits.
